Next Education unveils the largest and most comprehensive school community App: LearnNext

New Delhi, Jan. 19 - Next Education India Private Limited, a pioneer in K-12 education recently launched the most comprehensive and user-friendly school community application, LearnNext. This app enables its users to enjoy a convenient and immersive on-the-go learning experience with access to the best of LearnNext's features. Now, one can avail its advanced features like asking a question with voice, or a photo, or in text. High quality content like Lesson Summaries and References, KnowledgeWorld - Videos - Articles - Interviews, Project Ideas are available on mobiles and tablets. The best part is, the app is free of cost and is available at https://play.google.com/store/apps/details?id=com.learnnext

Available for classes VI to X
